The Rain Poem

Q1. What is falling from the sky?

Ans1. Pitter-patter rain drops are falling from the sky.

Q2. What does the umbrella do?

Ans2. The umbrella keeps the boy safe and dry.

Q3. What happens when the rain is over?

Ans3. When the rain is over, the sun begins to glow and little flowers

start to ~~blooom~~ bud.

Q4 What are the sounds you hear when it rains?

Ans We hear the sounds of Pitter-patter.

Q5 How does it feel

(a) when raindrops fall on your hand

The hand feels nice and cold.

(b) when the sun glows

After the rain when the sun glows we feel hot but at the same

time little flowers start to bud everywhere.

Match the things in A to the sound words in B.

A	B
1. rain	a. tick tock!
2. clock	b. ding dong!
3. wind	c. pitter-patter!
4. car horn	d. whoosh-whoosh
5. bell	e. honk honk!
