

Numbers

Numbers are of two types. They are called as 'singular' and 'plural'.

When we talk about a single thing or single person it is called as "singular".

When we talk about more than one, it is called 'plural'.

In some words we use 's' to make it plural. For example

1. boy - boys

2. girl - girls

3. Doll - dolls

In some cases we use 'es'. For eg

1 potato - potatoes

2 mango - mangoes

3 bench - benches

In some cases we change the vowels

1 goose - geese

2 tooth - teeth

3 man - men

4 mouse - mice

5 foot - feet

Write the plurals of the words given :-

1. Orange

2. Man

3. Bench

4. Foot

5. Watch
