CLASS I

G.K.

PLANTS AND ANIMALS

Learn the spellings of these young ones.

THE YOUNG ONES

Like humans, animals also have young ones. Their young ones are called by different names. Name the pictures below. Take help from the help box.

Help Box

- a. kitten
- b. cub
- c. chick
- d. caterpillar

I am the young one of a hen. I am a chick.

I am the young one of a butterfly. I am a caterpillar.

I am the young one of a tiger. I am a cub.

I am the young one of a cat. I am a kitten.

Sounds Amazing

The young one of a cow, a camel, a dolphin, a giraffe, a whale and an elephant are all called a calf.
