

My School

Use Cordova Smart Class software on the smart board in class to make learning enjoyable.

Hello, Lola! This is my school. Ria and Rahul also study in the same school. We learn many things in our school. Our teachers help us to learn about trees, flowers, animals and many other things. We have fun in school.

my school

Our school has a big building. There are many places in it.

Name these places in a school. Use the words given in the Help Box.

classroom.....

reception.....

garden.....

library.....

computer room.....

playground.....

Help Box

computer room

library

playground

reception

classroom

garden

...play games...
