Read this passage,

Ali Goes to the Zoo

It is Sunday today. Ali's father takes him and his friends to the zoo.

At the zoo, the children see many wild animals. They see zebras, tigers, lions, deer, hippopotamuses and many other animals. They also see monkeys swinging from the trees. A few of them sit on the ground and eat bananas. Colourful birds fly around everywhere.

Then, the children see the elephants. They are huge! The elephants are happily bathing. They splash around and spray water on each other. Ali wishes he could join them, too.
